

## PRODUCT SPECIFICATION SHEET

### 80% Alcohol Sanitising Wipes

These high quality non-woven wipes are impregnated with 80% denatured alcohol solution to provide a sterile cleaning wipe suitable for high level medical disinfection.

They can be used on all hard surfaces (except clear plastic) where rapid sanitising is required.

Convenient to use, non-abrasive, quick drying and tear-resistant; the wipes contain the optimal amount of solvent for cleaning tasks and can replace dispensing bottles to minimise user exposure.

Kills 99.9% of all germs in 30 seconds.

Packed: Approx. 500 per Tub

Tub Weight: 2 Kg

Vapours may cause drowsiness and dizziness. Keep away from sources of ignition and store in well ventilated area.

Keep container tightly closed.
